Dear Sirs

**LICENSING ACT 2003  
REGULATORY REFORM (FIRE SAFETY) ORDER 2005  
Premises: Amore Italian Restaurant, 16 Charnham Street, Hungerford, RG17 0ES**

The Fire Authority has considered your licence application review request dated **28 February 2023** and does not propose to make a representation. This letter should not be interpreted as meaning that the fire precautions in the premises are satisfactory. The primary piece of legislation for achieving satisfactory standards of fire safety in licensed premises is the Regulatory Reform (Fire Safety) Order 2005. This legislation requires the Responsible Person to undertake a suitable and sufficient fire risk assessment to identify the general fire precautions which need to be taken to protect relevant persons.

**The Department for Communities and Local Government (CLG) has developed a set of guides which explain what you must do in order to comply with fire safety law, help you carry out a fire risk assessment and identify the general fire precautions which you should have in place. The guides are available via the following link:-**  
<http://www.communities.gov.uk/fire/firesafety/firesafetylaw>

Failure to comply with the Order, irrespective of any requirements which may be imposed by the Licensing Authority in connection with your application, may result in enforcement action being taken by this Authority under the Regulatory Reform (Fire Safety) Order 2005. Your premises will be included in our risk based inspection programme and audited for compliance in due course.

This letter is without prejudice to the powers of the Licensing Authority and to any requirements or recommendations which may be made by enforcing Authorities under other legislation.

Yours sincerely
