							Q1	Q2	Q3	Q4		
Priority 1 - Reduce the differences in health between different groups of people												
1.1 Use information and intelligence to understand our communities, identify those who are in greatest need and ensure they are able to access the right services and support	1.1.2: Embed Population Health management approach across all programmes, incorporating 2021 census data when available	Public Health, BOB ICB (Berks West)	April Peberdy / Sarah Webster	Ongoing	To be developed	TBC						Further work required. ICB accepts the ambition and agrees that we need to ensure appropriate population health data is supporting prioritisation/programme delivery
1.6: Ensure services and support are accessible to those most in need through effective signposting, targeted health education, promoting digital inclusion and in particular addressing sensory and communication needs. All in a way that empower communities to take ownership of their own health	1.6.5: Undertake a dental review to understand current provision and identify recommendations for action - Utilising results of the British Dental Survey 2022/23	Escalate to BOB ICB	Sarah Webster	Dec-22	To be developed							Sarah to understand work ongoing across BOB with regards to Dental improvement actions and will ensure West Berks is represented in that work.
