

Summary of Consultation Responses

APPENDIX I

Ref Number	Name / Organisation	Date Received	Comments	Response Issued	Action
1	Mark Lewis (WBC)	13/03/2023	Consideration be given to promoting Highwood Copse, Newbury to Primary Network.	02/10/2023	No action. Road does not meet current criteria for inclusion on Primary Treatment Network. Action required. Footways directly outside school to be added to the Footway Snow Clearance Network.
2	West Ilsley Parish Council	14/03/2023	Consideration be given to promoting Bury Lane, West Ilsley to Primary Network. Salt bins on Bury Lane should be responsibility of WBC.	02/10/2023	No action. Oxfordshire County Council do not treat their section of Bury Lane, in addition there are no arrangements in place for cross boundary treatment. To be kept on Secondary Treatment Network. Salt bins - the filling of salt bins to remain with the PC.
3	Councillor Stuart Gourley	25/06/2023	Consideration be given to adding Walton Way, Newbury to the Secondary Network.	28/09/2023	No action. Already forms part of the Secondary Network.
4	Brimpton Parish Council	07/07/2023	Footway Snow Clearance – consideration be given to extending this on Brimpton Lane (between War Memorial and junction with Wasing Road). Also, to include the footway along Brimpton Road (Manor View).	28/09/2023	No action. The existing Footway Snow Clearance Network already comprises primary walking routes (including footways adjacent to primary and secondary schools).
5	Lambourn Parish Council	11/07/2023	Consideration to be given to adding Greenways to the Primary Network. Parish Council prepared to pay.	02/10/2023	No action. Due to the width of the road and size of the vehicle, it is not operationally possible to include Greenways, Lambourn on any treatment network.

Summary of Consultation Responses

APPENDIX I

Ref Number	Name / Organisation	Date Received	Comments	Response Issued	Action
6	Enborne Parish Council	21/07/2023	Consideration to be given to adding Wheatlands Lane to the Primary Network. Parish Council prepared to pay.	02/10/2023	Action required. Wheatlands Lane to be included on Primary Network. Parish Council to pay for the additional length of treatment.
7	Aldermaston Parish Council	15/08/2023	Consideration be given to promoting Frouds Lane to the Primary Treatment Network.	28/09/2023	No action. Frouds Lane – currently forms part of the Secondary Network and will remain so for the coming season. If it is being used as a diversion route Frouds Lane will receive treatment when the Primary Treatment Network is being treated.
