The Prevention of Public Nuisance:

I would be grateful if the Council's Licensing Sub-Committee would consider the impact of noise on local residents as a matter of public nuisance.

The applicant has suggested that the barn is located some 150m from the nearest dwelling. Using mapping software, I calculate that 15 residential properties are within 150m, 39 within 200m and at least 116 within 300m. In addition, cars leaving the venue will pass within 5m of the front of properties along Mount Pleasant.

If alcohol is served until 11.00pm, will the applicant be able to ensure that visitors consume their alcohol within the barn or courtyard area and will remain within acceptable noise limits and leave the venue in a way that is respectful of local residents by the proposed closing time of 11.45pm?

The Protection of Children from Harm:

N/A
