Dear Moira Fraser,

The relationship that we share with Miss Niya Patel is that she is the daughter of a close friend.  
The Crime reference number that was provided to us by the police is 43230540259

My statement is as follows. On the 1st of December 13:15 hours approximately, there was an incident that happened outside the shop involving a customer, who was approaching the shop with a a push chair carrying her little boy. She complained to the staff of the restaurant about the obstruction of the wheelchair access curb by one of their customers. The owner then came out of his restaurant and proceeded to follow the lady into the shop and began a heated confrontation with resulted in the baby crying non stop. He persisted with the arguing even after I had told him repeatedly to "Stop shouting as the baby is crying". He left the shop after 10-15 minutes.

20 minutes elapsed after the owner had left my shop. His wife then entered shouting "What the fuck is your problem?". I replied that "I have nothing to do with the matter that happened prior to this, please don't shout and create a scene in my shop". She then replied "I am not coming to your stinky shop". I then replied "stay out I don't need you in my shop". She then left my shop. Her husband then entered my shop and proceeded to argue with my wife while I was on the phone to the police. My wife told him to please not swear and shout in my shop after which he brought up the incident with regards to the licensing saying that "you wrote an impressive big email showing your concerns" this line was said in our language Hindi.

He then proceeded to say "Don't worry I will sort it all out and I will take care of you" , This was said in Punjabi in a threatening manner. He then proceeded to leave the premises and nothing has occurred since then.

I wish to disclose the above information to be added as supporting document for my representation.

Regards Jignesh Patel
