Dear Ms Wall

Re: LICENSING ACT 2003
Reloaded Nightclub, 7-9 Wharf Street, Newbury, RG14 5AN

With reference to the application dated 13 October 2023, the application has been examined and **the Fire Authority will make a representation** to the Licensing Authority.

The Fire Authority has not received all of the information required. We have not therefore been able to form a judgement as to whether the public safety objective of the Licensing Act has been adequately addressed.

The items that are of concern to this Authority are detailed on the attached Schedule of Deficiencies letter.

Please note that the Authority's representation may be withdrawn if all of the matters detailed in the attached schedule are resolved and we are informed at least 5 working days before the committee hearing date.

This letter is without prejudice to the powers of the Licensing Authority and to any requirements or recommendations that may be made by Enforcing Authorities under other legislation.

Any queries regarding this letter should be addressed to the person named at the top of the letter. If you are dissatisfied in any way with the response given, please ask to speak to the Officer Manager quoting our reference.

Yours sincerely

Chief Fire Officer – Wayne Bowcock
