4. Introduction/Background

- 4.1 Local authorities are required to publish schemes for financing schools which set out the financial relationship between the local authority and the schools they maintain.
- 4.2 The Department for Education (DfE) issues statutory guidance for local authorities on schemes for financing schools. The DfE guidance lists the provisions which a local authority must, should or may include. Local schemes need not follow the exact format used in the DfE guidance, except for the text of directed revisions. The DfE guidance is updated annually.
- 4.3 Issue 16 was published on 28 March 2024 and can be found at:

- 4.4 In making any changes to the scheme, a local authority must consult all maintained schools in their area and receive the approval of the members of their schools forum representing maintained schools.
- 4.5 The local authority has reviewed the current scheme to ensure that all sections are still appropriate. Following on from this review four updates are proposed. The proposed Scheme for Financing Schools (2024 update) and Appendix B highlighting the proposed updates are attached.
