Dear Ross,

I am puzzled by your claim that I sent a further copy of the email after 26th. I can find no such email on my system.

See the email from Clare Lawrence below, sent 31st May.

Hi Tony

I am pleased to confirm that the lists have been updated and again apologise this was not done before.

Kind Regards

Hi Clare,

This was extremely annoying and should never have happened. The address "All Members Executive" which I chose to use last Friday to share my email to you with my Lib Dem Executive colleagues was still pointing to the outgoing Conservative Executive. It was a highly sensitive subject politically, as I'm sure you will appreciate.

Our Group Executive <mark>Melanie Booth assured me that</mark> as soon as Lee announced our Executive Team's names – at least a week before Full Council – <mark>she asked IT to make the change</mark>. Clearly it didn't happen, although the Council website does now have all new councillors correctly named including our Executive portfolios.

<mark>Luckily Ross Mackinnon picked this up and has done the decent thing</mark>.
