

Item 9:

Member Questions to be answered at the Executive meeting on 3 April 2025.

Members of the Executive to answer questions submitted by Councillors in accordance with the Executive Procedure Rules contained in the Council's Constitution.

A. Question submitted by Councillor Dominic Boeck to the Portfolio Holder for Children and Family Services:

"What action is the lead member for Children taking to improve the stability of the lives of children in our care?"

B. Question submitted by Councillor Dominic Boeck to the Portfolio Holder for Children and Family Services:

"Why are so many of our children subject to a Child Protection Plan having their plans reviewed?"

C. Question submitted by Councillor Dominic Boeck to the Portfolio Holder for Environment and Highways:

"It is good to see the growth in EV charging points but disappointing to see that this is largely in Newbury. When will this progress be extended to Thatcham, Tilehurst and Calcot and our rural centres?"

D. Question submitted by Councillor Dominic Boeck to the Portfolio Holder for Public Safety and Community Engagement, Economic Development and Regeneration:

"It may surprise some that Aldermaston ward has some of the most deprived communities in West Berkshire. The administration has abandoned their target to develop a plan to tackle social isolation in rural areas in favour of measuring Community Hub activity. How will that help the residents of the ward I represent who are most in need?"
