Notice of Application for a Premises Licence
Ref 27129. 51 London Road Newbury

Dear Licensing Committee,

Further to my letter of objection (19/05/25) to approve the application for this licence, I would like to make a further representation; which is to highlight the fact that permission is sought to allow “late night refreshment”.

As a licensing authority, I'm sure you're familiar with the Licensing Act 2003, in which the guidelines to implementing the Act state the following:

“The government believes it is necessary to protect local residents from premises which serve late night refreshment, which can be used by customers who may have been drinking at other premises earlier in the evening, thereby creating the potential for disorder on and near the premises. Also, because large numbers of customers may gather at places serving late night refreshments, there is a potential for nuisance and disturbance for local residents”.

As a local resident, I would be most grateful if these guidelines will be closely considered when it comes to making your decision.

Yours sincerely,
