## 1 Purpose of the Report

- 1.1 To provide details of forthcoming supply, service and works contract awards that will have a contract value in excess of £2.5m and as such will require approval from Executive during the next quarter. This report provides Executive with visibility of all high value contracting activity and the opportunity to request further information regarding the contract identified.
- 1.2 To gain approval from Executive to delegate authority to an individual (Service Director) to proceed with the contract awards provided in this report, on the condition that a Procurement Strategy and a Contract Award report is granted approval by Procurement Board.
- 1.3 A consolidated report is considered the most effective way of complying with the Council's Contract Rules, whilst providing Executive with visibility of forthcoming high value contracts requiring approval. This in turn will help minimise any delays that may impact the procurement timetable for contract award and service mobilisation.
- 1.4 In addition, to provide an overview of contracts with a value in excess of £2.5M which are anticipated to be awarded during the following quarter, further details of which will be subject to inclusion in a future report.

## 2 Recommendation

- 2.1 Executive to delegate authority to an individual (Service Director) to proceed with the award of the contract in the table below in consultation with the Section 151 Officer and Portfolio Holder, following the completion of the appropriate procurement process and Procurement Board approval of a Contract Award report.

## 5 Supporting Information

### 5.1 Introduction

The contracts presented in this report have an estimated value in excess of £2.5m for the whole life of the contract term, including any optional extensions. The budget information is currently provided by the service area leading the procurement strategy.

### 5.2 Background

All contracts with a value in excess of £100,000 require an individual Procurement Strategy to be submitted to Procurement Board to ensure a procurement is compliant with the Council's constitution, the Public Contracts Regulations 2015 or the Procurement Act 2023. Following the completion of the procurement process, a contract award report detailing the outcome of the procurement is submitted to Procurement Board for approval prior to awarding the contract.
