# 1. Purpose of the Report

This should be succinct and ought to need no more than one paragraph.

# 2. Recommendation(s)

Consider when drafting this section what you are asking the ultimate decision maker to do. The recommendation should be drafted to clearly reflect the actual decision you require.

Is the Schools' Forum required to make a decision as part of this report or subsequent versions due to be considered later in the meeting cycle?						
Yes: If you have checked <u>yes</u> continue to the implications and assessment section.	No:					

# 3. Implications and Impact Assessment

Equalities Impact:	Positive	No Impact	Vegative	Commentary
	Pos	Š	Neć	
A Are there any aspects of the proposed decision, including how it is delivered or accessed, that could impact on inequality?				To assess this you can use the stage 1 EqlA at Appendix A below. Appendix A need not be included if the proposal has a neutral impact on those with protected characteristics. Appendix A <u>must</u> however be included with the report if there are potential impacts on individuals with protected characteristics (positive or negative).

B Will the proposed decision have an impact upon the lives of people with protected characteristics, including employees and service users?		
Data Impact:		You should consider whether the proposal will have a significant impact on the rights of data subjects?  If so, you <u>must</u> complete and include the Data Protection Impact Assessment at Appendix B.

#### 4. Executive Summary

This summary outlines the rationale and proposed options for a decision or consultation to be presented to the West Berkshire Schools' Forum. (To be no more than 2 sides of A4 in total)

#### Issue Identification

Clearly define the problem being addressed, with reference to measurable impacts on educational outcomes for clearly defined groups of children.

#### **Options Considered**

Present a minimum of three and a maximum of five options for addressing the issue, with a balanced assessment of each:

#### Option 1

- Advantages
- Disadvantages

#### Option 2

- Advantages
- Disadvantages

#### Option 3

- Advantages
- Disadvantages

#### Option 4

- Advantages
- Disadvantages

#### **Consultation and Engagement**

Outline the consultation undertaken to establish the options above, including with individuals and stakeholder groups.

#### **Monitoring and Evaluation**

Describe how the Schools' Forum will measure and monitor the outcomes of the decision, including a timetable of progress checks to be scheduled on the Forum's Work Programme.

#### **Recommended Option**

This section should provide a short narrative on the recommended option and clearly outline why the recommendation at section 2 is proposed. To include:

- The rationale for the preferred option.
- The anticipated impact on teaching and administrative staff across effected schools.
- Measures to mitigate any negative impacts and safeguard staff wellbeing.
- How these mitigation strategies will be monitored and evaluated.

If there is an opportunity for the Schools' Forum to make a formal response to the Local Authority, please ensure that this is clear within your report.

#### 5. Introduction and background

In this section please provide detailed information supporting the proposal. You must explain the background of the proposal and fully articulate what the report is seeking to achieve.

Provide all relevant background information relating to the recommended option and why it has been brought forward. This section should include the evidence which supports the recommendation.

If this is not a report for decision then provide details of the information that needs to be brought to the Forum's attention.

#### 6. Conclusion

This section should provide a clear conclusion, outlining why the recommendation at paragraph 2 is proposed.

#### 7. View from the Heads' Funding Group

Short summary providing HFG feedback on issue faced and detail of any recommendation(s).

#### 8. Appendices

Either "None" or list:

- 8.1 Appendix A Equalities Impact Assessment DELETE IF NOT REQUIRED
- 8.2 Appendix B Data Protection Impact Assessment DELETE IF NOT REQUIRED
- 8.3 Appendix C Other (If required include details here) DELETE IF NOT REQUIRED

	Yes	No
Will you be using any novel, or technologically advanced systems or processes?		
Note – this could include biometrics, "internet of things" connectivity or anything that is currently not widely utilised		

If you answer "Yes" to any of the above, you will probably need to complete <u>Data Protection Impact Assessment - Stage Two</u>. If you are unsure, please consult with the Information Management Officer before proceeding.
