# **Executive Summary**

#### 1. Introduction

1.1 The Constitution currently allows a debate at full council following receipt of a petition of 5,000 or more signatures (see 2.2 below). This report recommends that this be reduced to 1,500 signatures, in line with many other local authorities.

### 2. Proposals

2.1 This report proposes that the Council's constitution be amended so that when a petition of 1,500 or more signatures is presented at Full Council, a debate will be held on the subject of the petition.

The constitution currently states in Appendix C (Procedure Rules for Dealing with Representations) to Part 13 (Codes and Protocols), paragraph 1.4

- (e) **Petitions for Debate.** For a petition to be reported to a Full Council meeting for debate by the elected Members of West Berkshire Council, it must contain a minimum of **5,000** petitioners. Where a petition relates to a local issue, affecting no more than two electoral wards in West Berkshire, this requirement may be reduced to **500** per ward at the discretion of the Monitoring Officer.
- (f) Where a Full Council meeting debate is triggered by a petition, the Petition Organiser or their nominated spokesperson will have up to five minutes to present their petition and the petition will then be discussed by Councillors for a maximum of 15 minutes. The Council may decide to take the action the petition suggests, not to take the action requested for reasons put forward in the debate or to commission a further investigation into the matter.
- 2.2 The number of signatures required on a petition to trigger a debate at Full Council in the 6 unitary authorities in Berkshire are:

Authority	signatures required	Electoral Roll	Percentage of	Population	
		(Dec 2012)	Electorate	(2011 census)	
Windsor & Maidenhead	1,000	106,474	0.93%	144,600	
Bracknell Forest	1,500	85,724	1.75%	113,205	
Reading	1,500	118,219	1.26%	155,700	
Slough	1,500	94,330	1.59%	140,200	
Wokingham	1,500	113,379	1.32%	154,400	
West Berkshire	5,000	120,970	4.13%	153,800	

2.3 Following the consultation on the proposed 2014-2016 budget cuts, the residents of Pangbourne and the surrounding area raised a petition requesting that the opening

hours of Pangbourne library be maintained. They were advised by the Council's Monitoring Officer, that because the library users came from more than two wards (some lived across the border in Oxfordshire), the petition would need to have over 5,000 signatures in order to trigger a debate at Full Council. The petition organisers felt that this was unachievable because the numbers on the electoral roll in the wards concerned were relatively small, and only a proportion of them use the library. Their problem was compounded by the fact that the Council's e-petition software did not permit people living outside of West Berkshire to sign this petition.

2.4 The numbers on the electoral roll in Pangbourne ward and neighbouring West Berkshire wards:

Ward	Electoral Roll	percentage of electorate	Population (2011 census)	Percentage of population
Pangbourne	2,262		2,984	
Basildon	2,470		3,107	
Sulhamstead	2,212		2,963	
Purley-on-Thames	5,275		6,552	
Total	12,219	41%	15,606	32%

2.5 As you can see from the above figures, 41% of the electorate of these four wards would have had to sign the petition (or 32% of the entire population, including babies and children) for a debate to be triggered at Full Council. A large number of people living in these wards may also be members of their nearest library, which could be in Goring, Theale or Tilehurst, and therefore not be inclined to sign a petition for Pangbourne library.

Had the petition limit for a debate at Full Council been set at a reasonable figure of 1,500 instead of 5,000 this amount of signatures may have been achievable, and the users of Pangbourne library would have had a greater impact on local democracy.

#### 3. Equalities Impact Assessment Outcomes

3.1 This item is not relevant to equality.

#### 4. Conclusion

4.1 This amendment would enable the people in West Berkshire to bring to Full Council matters that are important to them, and to hear the councillors debate these issues in a public meeting. The lower number of signatures required to trigger a debate would encourage the engagement of the local population with politics.
