

## Summary of Consultation Responses

## APPENDIX H

Ref Number	Name / Organisation	Date Received	Comments	Response Issued	Action
1	Councillor Alan Law	19/09/2016	Clarification on any alterations to the Snow and Contingency Networks and the Footway Snow Clearance Network. Clarification requested on the definition of Primary and Secondary Network.	12/10/2016	Clarification given in email response.
2	Mortimer Parish Council	20/09/2016	Would like West End Road reinstated to Primary Network and St Catherine's Road demoted to the Secondary Network.	12/10/2016	As this request is directly from the Parish Council, West End Road will be reinstated to the Primary Network and St Catherine's Hill demoted to the Secondary Network.
3	Councillor Clive Hooker	20/09/2016	Would like to see Bury Lane, West Ilsley promoted onto the Snow Clearance Network.	12/10/2016	Oxfordshire County Council do not treat their section of Bury Lane, West Ilsley. There is also no arrangements in place for cross boundary treatment.
4	Purley-on-Thames Parish Council	20/09/2016	Supports the plan.	n/a	n/a
5	Gloria Keene (Inkpen Parish Council)	28/09/2016	Can you confirm that Folly Road and Weavers Lane, Inkpen still form part of the Primary and Snow Treatment Networks.	12/10/2016	Confirmation given that Folly Road and Weavers Lane, Inkpen both form part of the Primary and Snow Treatment Network.
6	Councillor Anthony Stansfeld	28/09/2016	Concerned at the down grading of some Primary routes to the Secondary network in Inkpen and Hamstead Marshall.	29/09/2016	As part of the savings plan for 2016/17, a number of routes have been moved from the Primary Network to the Secondary Network.

## Summary of Consultation Responses

## APPENDIX H (C'ont)

Ref Number	Name / Organisation	Date Received	Comments	Response Issued	Action
7	Aldermaston Parish Council	05/10/2016	Consideration be given to adding the footpath in Wasing Lane, Aldermaston (between the Hinds Head PH to School entrance) to the Footway Snow Clearance Network.	12/10/2016	The footway between Dolphin Close and The Forsters, Aldermaston is already included in the Footway Snow Clearance Network. As suggested it will be extended to the Hinds Head PH car park.
8	Lambourn Parish Council	06/10/2016	Removal of Close End from the Primary Treatment Network.	12/10/2016	As the treatment of this road is paid for by Lambourn PC it will be removed from the Primary Treatment Network for the coming season.
9	Councillor Billy Drummond	06/10/2016	Disappointed that salt bins will be transferred to Parish Councils. Would like this decision reconsidered.	07/10/2016	Savings plan for 2016/17 approved by Councillors. Unable to reverse this decision.
10	Tilehurst Parish Council	12/10/2016	Inconsistency with use of Parish and Ward boundaries through the winter service plan.  The cost of refilling a salt bin was originally quoted at £67.	12/10/2016	This has been noted and addressed.  The cost of £67 to refill a salt bin was quoted as an estimate. Since then WBC have retendered the Term Maintenance Contract and the price has increased. It may be possible to reduce the cost by achieving an economy of scale, but this would need to be agreed with the Council's Term Contractor.
