Executive Report

1. Introduction

1.1 At the last Overview and Scrutiny Management Commission further information was requested following some of the discussions held. This report provides an update to Members on the additional information requested.

2. **Performance Indicator – Award 85 new grant loans to bring properties up to a safe and decent standard**

2.1 The exception report discussed at the previous meeting referred to a campaign being launched in November 2010 in an attempt to improve performance against this indicator. Members asked for an update.

2.2 The campaign was launched at the end of January 2011, this was later than planned due to capacity issues. It is hoped that the results of the campaign will begin to be visible by the end of the fourth quarter, but interest has already been expressed by Parish Councils and voluntary organisations who wish to promote it. Work on distributing the publicity is still in progress, but that should be complete by the end of February.

2.3 This item has been carried forward to the Overview and Scrutiny Management Commission meeting on Thursday 28 June 2011.

3. **School severe weather plans**

3.1 Mark Lewis would provide the Commission with a list of schools who had produced a severe weather plan and provided it to the Education Service. This item has been carried forward to the Overview and Scrutiny Management Commission meeting on Thursday 28 June 2011.
